

About *the* Event

Join us for the Morning Center's **2026 Flourishing Life Gala** on Thursday, November 12, 2026, at 6:30 PM in Memphis, TN. Together, we'll celebrate lives being changed through compassionate, life-affirming prenatal and postpartum care for underserved moms and babies—and look toward the mothers still waiting to be served.

We believe for cities where every life is cherished, every mother is treated with dignity, and women facing pregnancy without adequate resources are met with excellent medical care, meaningful relationships, and the transformative love of Jesus.

The **Flourishing Life Gala** is an opportunity to gather around that vision, and help make it possible.
